Directions for use: For use in adults more than 18 years of age only. Take 2 capsules once per day. Use for at least 1 week to see beneficial effects. Consult a health care professional for use beyond 18 weeks. Store at 15°C – 25°C. Keep out of reach of children.

Mode d'emploi: Pour les adultes de plus de 18 ans seulement. Prendre 2 capsules une fois par jour. Utiliser pendant au moins 1 semaine afin de pouvoir constater les effets bénéfiques. Consulter un professionnel de la santé si l'usage se prolonge au-delà de 18 semaines. Conserver entre 15° à 25°C. Garder hors de la portée des enfants.

Cautions: Avoid prolonged exposure to sunlight, ultraviolet light (UV) or UV therapy. Consult a health care professional prior to use if you are pregnant or breastfeeding or taking antianxiety or seizure medications, antihistamines, bronchodilators, muscle relaxants and/or opiates. Consult a health care professional if sleeplessness persists continuously for more than 4 weeks (chronic insomnia) or if symptoms persist or worsen. Do not use this product if you are taking anti-cancer, antidepressant (e.g. selective serotonin reuptake inhibitors (SSRI)), cardiovascular, contraceptive medications, blood thinners, anti-HIV agents or immunosuppressive medications. Stop use if hypersensitivity/allergy occurs. Some people may experience mild gastrointestinal disturbances, nausea, restlessness, headaches and/or drowsiness. Exercise caution if operating heavy machinery, driving a motor vehicle or involved in activities requiring mental alertness. Avoid taking with alcohol or products that cause drowsiness. Do not use if safety seal is broken.

Attention: Éviter toute exposition prolongée au soleil, aux rayons ultraviolets (UV) ou rayons UV produits par la luminothérapie. Consulter un professionnel de la santé avant d'en faire l'usage si vous êtes enceinte ou si vous allaitez ou si vous prenez des médicaments anxiolytiques ou anticonvulsifs, des antihistaminiques, des bronchodilatateurs, des relaxants musculaires et/ou des opioïdes. Consulter un professionnel de la santé si l'insomnie persiste au-delà de 4 semaines (insomnie chronique) ou si les symptômes persistent ou s'aggravent. Ne pas utiliser ce produit si vous prenez des médicaments anticancéreux, antidépresseurs (par ex., inhibiteurs sérotoniniques du recaptage de la sérotonine (ISRS)), cardiovasculaires, contraceptifs, des anticoagulants, des agents anti-VIH et/ou des immunosuppresseurs. Cesser l'utilisation si une hypersensibilité/allergie se manifeste. Certaines personnes pourraient souffrir de troubles gastro-intestinaux légers, de nausées, d'agitation, de maux de tête et/ou de la somnolence. Faire preuve de prudence si vous conduisez de la machinerie lourde ou tout autre véhicule motorisé, ou si vous devez entreprendre des activités qui requièrent de la vigilance. Éviter de consommer de l'alcool ou tout autre produit pouvant causer de la somnolence. Ne pas utiliser si l'opercule est brisé.

OUR VISION

At Blossom Vegetarian, we strive to show you that vegetarianism is neither tasting bad nor making grim choices.

We believe that vegetarianism does not equate to restriction. We hope to demonstrate that it can be a satisfying, energizing, and fulfilling lifestyle.

Our menu is completely lacto-ovo vegetarian friendly, with vegan options throughout.

我們的願景

素食不再是純素食者或宗教信仰的專利。我們會努力為您展示新派素食主義是一種追求健康的生活態度。

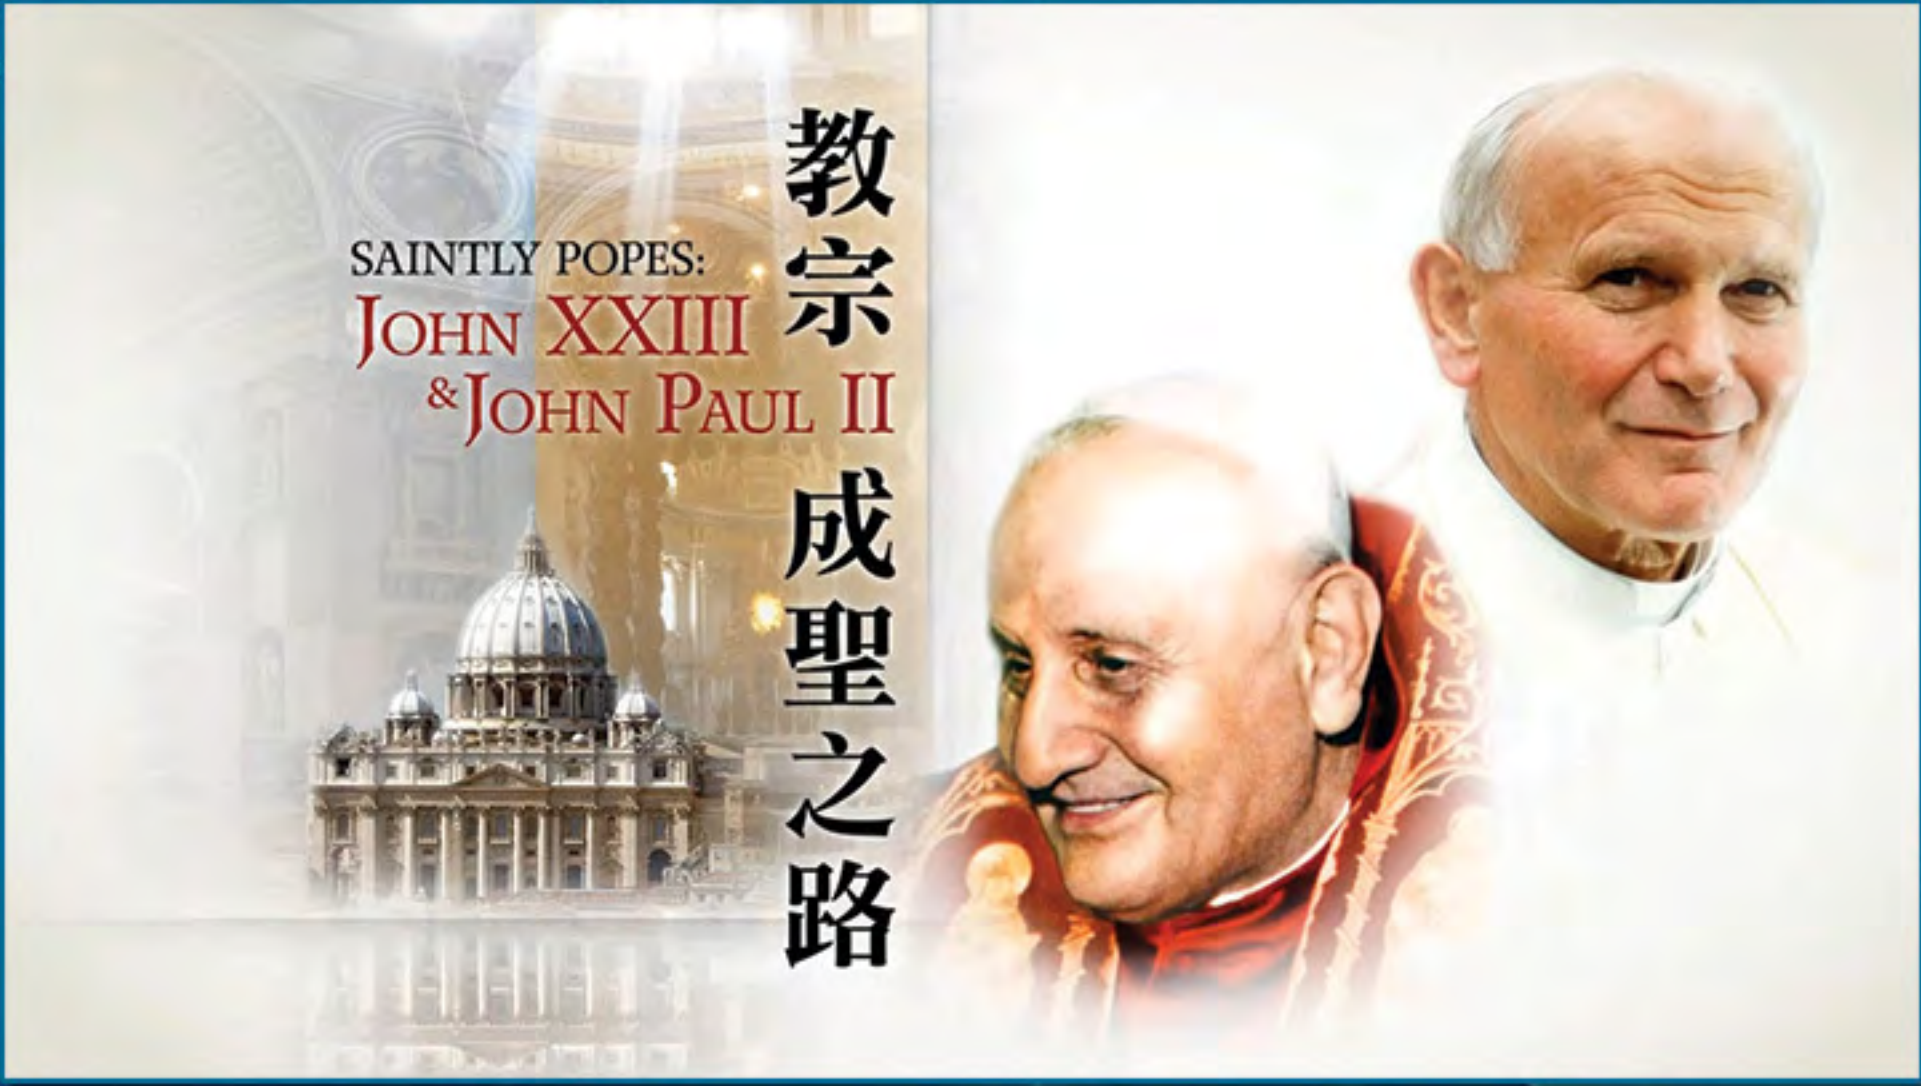

我們相信素食並不同於限制或做出嚴峻的選擇。新派素食實際上是非常酷的生活方式，在意環保的意識，也有助提高健康水平。

我們的菜單是蛋奶素食，同時也提供純素選擇。
